Lewisham Music Services to Schools 2018/2019

Dear Headteacher,

I am writing to invite you to complete a **Lewisham Music Schools Programme Request Form 2018-19** to confirm the programmes that you would like Lewisham Music to provide to your school for the school year 2018-2019. Please confirm on the form whether you would like to continue with existing provision, make any changes, or request a new programme. Please also complete this form if you wish to cancel a programme. Lewisham Music is funded by Arts Council England (ACE) through the Music Education Hub Grant. Provision of services is also dependent on the income we receive from schools and parents. Please also see the attached **Lewisham Music School Charges** for the new revised charges for 2018-19. Our charges to schools have remained the same since September 2016 but increased staffing costs have resulted in our having to make a small increase in our charges for 2018-2019. We have also revised our charging for whole class ensemble tuition (WCET) which is now billed at £40 per lesson. Lessons are a minimum of 45 minutes in duration.

Please note that we require you to complete the form by Friday 18 May 2018 or we cannot guarantee to meet your requirements. (This information is also being sent directly to all school music subject leaders and office contacts on our database in order to make sure it gets to the correct person).

Please return the form by email to info@lewishammusic.org or by post to **Lewisham Music, The Green Man, 355 Bromley Road, London SE6 2RP**

If you send your request via email then please use the following subject heading:
[SCHOOL NAME] - MUSIC PROGRAMME REQUEST 2018-19

Please note that all the above information will also be available on our website
www.lewishammusic.org

We look forward to working with you to ensure as many children and young people as possible engage with musical opportunities and in providing you with high quality, cost effective services. Thank you for your support for the work of Lewisham Music.

Yours faithfully,

Schools Music Leader
Lewisham Music
