Lewisham Music provides high quality music programmes led by specialist tutors and the success of these programmes is built on three important areas: commitment, motivation and support.

Parents and students should be aware of their responsibilities in working with Lewisham Music to ensure all its activities are safe, rewarding and enjoyable, and that they make a positive contribution to all children and young people's musical and social development.

APPENDIX

LEWISHAM MUSIC ANTI-BULLYING POLICY

LM (Lewisham Music) is committed to a policy of inclusion and to equality and justice. We believe that bullying behaviour is totally unacceptable. We believe that where bullying is challenged effectively pupils will feel safe and happy and we will demonstrate an organisation that cares.

Aims

Within LM we aim to ensure

- all children to feel safe, to learn, to enjoy playing their musical instrument or sing in the company of others
- all children to be treated fairly, with respect and dignity
- we listen carefully to what children have to say and treat all children's accounts seriously.

The nature of Bullying

There are many definitions of bullying, but it is generally accepted to be:

- deliberately hurtful (including aggression)
- repeated often over time
- difficult for victims to defend themselves against.

Bullying can take many forms, but three main types are:

- physical - hitting, kicking or taking belongings
- verbal - name calling, insulting, making offensive remarks
- indirect - spreading nasty stories about someone, unreasonable exclusion from social groups, being made the subject of malicious rumours.

Research shows that name calling is the most common direct form. This may be because of individual characteristics, but pupils can be called nasty names because of their ethnic origin, nationality or colour, or some form of disability. Pupils' understanding varies with age, younger children may confuse bullying with fighting and nasty experiences generally - making it difficult to identify actual bullying. Junior and secondary school pupils tend to develop a more mature understanding.

Involving Parents

Parental support is key to the success of our Anti-Bullying Policy. We aim to consult and communicate with parents when the need arises.

What should Parents do if they feel their child is being bullied?

Any parent contacting LM with a concern will always be taken seriously.

The first point of contact for the parent is a member of LM staff. As LM staff we will follow the following steps:

- Recognise that the parent may be angry or upset
- Keep an open mind – bullying can be difficult to detect, so a lack of staff

awareness does not mean that no bullying has occurred

- Remain calm and understanding
- Make it clear that LM does care and that appropriate action will be taken
- Explain the agreed procedures and policy and ensure these are followed

If a parent doesn't feel that the situation has been dealt with adequately by the member of LM staff, then the next stage of the complaints procedure is to contact the CEO.

Strategies in LM to prevent bullying behaviour include:

- recording incidents and keeping records
- being aware that even the youngest children can understand the consequences of their own actions
- listening carefully to pupils and providing opportunities for them to express views and opinions - for example during break time
- involving parents
- including all staff in Safeguarding Children training
- involving parents, children and staff in the development of the Anti-Bullying Policy
- teaching children to say 'no' when appropriate or to get help

Dealing with Reported Incidents of Bullying, LM will adhere to:

- never ignore suspected bullying
- not make premature assumptions
- listen carefully to all accounts – several pupils saying the same thing does not necessarily mean they are telling the truth
- adopt a problem-solving approach
- follow up repeatedly, checking bullying has not resumed

If a child has been involved in bullying, the action followed will depend on the severity of the incident. However, a hierarchy of sanctions will be followed which are set out below. Depending on the severity of the incident

We will - warn them not to do it again

Then - if it is serious or the child has repeated the behaviour after being warned a telephone call will be made or a letter will be sent to their parents/carers. This procedure will be dependent on the age of the child.

Then - parents/carers will be invited to the LM office to discuss the incident.

Then - parents will be invited again to review progress and/or for a final warning before exclusion.

Then - the CEO may make the decision to exclude the child immediately. The parents/carers have a right of appeal.

Monitoring and Evaluating the Policy

The policy will be regularly monitored and evaluated by the CEO and LM staff, through the following methods:

- Checking incident book for frequency of incidents
- Talking with pupils e.g. in break time
- Observation during LM activities
- Small group interviews – or individual interview.
